Dear Debra Charles,

This letter is to request time to complete the response to the Office communication concerning our patent application. Due to loss of contact with the attorney who filed this patent for us in 2001 I was delinquent in receiving this communication. I am about 20% complete with the response and hope to complete our response this week.

Per our conversation last week, I will attempt to contact the attorney to follow the required processes for submitting my response.

Thank you for your understanding in this matter.

Sincerely,

Tim Jowers
